

1 | Sinful man cannot live before a holy God.

¹The LORD spoke to Moses after the death of the two sons of Aaron, when they drew near before the LORD and died, ²and the LORD said to Moses, "Tell Aaron your brother not to come at any time into the Holy Place inside the veil, before the mercy seat that is on the ark, so that he may not die. For I will appear in the cloud over the mercy seat." LEVITICUS 16:1-2

When Aaron's sons, who were also serving in the temple, died for offering unauthorized incense and fire, it was a clear message from God that His holiness could not be taken lightly. The consequences of the Fall were that humankind could no longer enter God's presence without taking careful measures. But God's heart and will is to have His people draw near to Him in fellowship and relationship. So He made a way for us to approach Him, to once more have fellowship with Him as His people. Have you experienced this longing of God for His children to simply grow in knowing Him? Tell about a time you had a revelation of God's great love for you.

2 | God made a way for sinful humans to have a relationship with Him.

³"But in this way Aaron shall come into the Holy Place: with a bull from the herd for a sin offering and a ram for a burnt offering. . . . ³⁰For on this day shall atonement be made for you to cleanse you. You shall be clean before the LORD from all your sins." LEVITICUS 16:3, 30

After the death of his sons, Aaron was told that to enter into the Most Holy Place, he had to perform an elaborate ritual. The first part involved sacrificing a goat for the sins of the people. Then they laid hands on another goat symbolically placing their sins on it and releasing it into the wilderness to take away their sins from God's presence (Leviticus 16:22). This was yet another clear foreshadowing of the sacrifice that Jesus Christ would eventually make: taking the sins of the world onto Himself and paying its penalty so that we could freely approach God. What does Hebrews 10:1, 19-22 say about ritual sacrifices and Jesus' act of love on the cross?

All of this was because God wants to establish a relationship with us. Given the reality of His holiness and our sin, He intentionally made a way through Jesus so that we could have access to Him once more.
